NOVEMBER 2009: 'Have We Forgotten God?' "When they had pasture, they were filled; they were filled and their heart was exalted; therefore they forgot Me." Hosea 13:6

It is a natural human tendency when things are going really well to forget why we have and experience the blessings we have presently. We forget the blood of those who died that we might have the freedom and liberty we enjoy today. We forget those whose faith helped shape the foundation of our nation. We forget that liberty is fragile. And what is worst of all, those of us who know the Giver of all these wonderful blessings have grown indifferent and maybe we too have forgotten.

In 1863, President Abraham Lincoln gave this Thanksgiving Proclamation: "We have been the recipients of the choicest bounties of heaven; we have been preserved these many years in peace and prosperity; we have grown in numbers, wealth, and power as no other nation has ever grown. But have we forgotten God.

We have forgotten the gracious hand which preserved us in peace and multiplied and enriched and strengthened us. We have vainly imagined, in the deceitfulness of our hearts, that all these blessings were produced by some superior wisdom and virtue of our own.

Intoxicated with the unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God Who made us."

The arrogance of human nature says: "I don't need anything like God. I can make it on my own." Proverbs 14:12 tells us: "There is a way which seems right to a man, but its end is the way of death." God resist the proud, but gives His grace to those who fear and trust Him. Our Lord knows and constantly warns the arrogant heart that only pain and harm lies down this path, but our gracious Lord will never force one to change direction. We wish He would though at times. We wish we would hear a clear definitive word from God. Guess what? We have. He speaks to us in and through His Word.

May we echo the Psalmist: "So teach us to number our days that we may gain a heart of wisdom." (Psalm 90:12) Our Lord wants us to have the good pasture, but let's not forget Who gives and provides it all. Give praise and thanksgiving with a grateful heart for all that our gracious Lord has given. May each of you have a blessed Thanksgiving. God bless and preserve you! God save America!

Your Pastor,

Meredith Cavin
