**THE DEACON OF THE MONTH** is Chris Gravley. If you have any requests for the deacons, please contact Chris at 372-3995.

**AS MOST OF YOU KNOW,** we recently had to replace our central air conditioning unit for the Sanctuary. This was a large, but necessary expense that we had to incur. Fortunately, we were able to purchase this unit using money from our Capital Fund account. Before the purchase of this unit the Diaconate and Session had prioritized certain capital projects, and were planning on using the capital funds to support these purposes. We are asking the congregation to please donate extra offerings to this Capital Fund account in order to replace the money used from the unexpected purchase of the A/C unit, and allow us to go forward on our prioritized capital projects. Our prioritized capital projects include 1) Rewiring the Sanctuary and Educational Building due to electrical safety concerns 2) Donating to the Women's Ministry's kitchen renovation project for the purchase of new ovens 3) Purchasing a hearing assistance system in the sanctuary for the hearing impaired. As you can see, these are important projects that work towards the safety, comfort, and convenience of our congregation. If you would like to donate, please use a separate check from your tithe and designate it "Capital Fund." Your continued support to this fund, over and above your tithe, would be greatly appreciated.

In His Service,

Diaconate
